- ¹ An unduplicated total of households assisted cannot be derived from these data because the same households may be included under more than one type of assistance.
- ² Totals include households that received combined heating and cooling assistance in Arizona, California, and Florida; households that received energy assistance in Hawaii with no differentiation made between heating and cooling assistance.
- ³ Heating assistance data include 608 households that received expedited heating assistance payments for home energy crises.
- ⁴ State served 2,654 crisis households with private fuel funds.
- ⁵ Crisis assistance data include 146 single family households which received emergency furnace replacements or repairs.
- ⁶ Households needing crisis fuel assistance received expedited heating assistance.
- ⁷ Heating assistance data include one or two-person households assisted by oil overcharge funds.
- ⁸ Crisis assistance data include 3,120 households that received energy intervention unit services, and may have received a benefit under other crisis assistance components.
- ⁹ Weatherization data include 2,856 households which received regular weatherization services, and may have received also energy-related home repair services.
- ¹⁰ Households needing crisis fuel assistance received expedited heating assistance. Households with deposit requests were referred to Energy Shares of Wyoming. Heating system crisis cases and related repairs were referred directly to weatherization subgrantees.
